

Join the Boat PROTEST

on Lavaca Bay!

*Demand Waste Water Recycling at Formosa!
Save our Lavaca Bay Estuary from destruction!*

"At some point, we must draw a line across the ground of our home and our being, throw a spear into the ground and say to the chemical companies, the corrupt politicians and ineffective regulators, this far and no further!"

Saturday, March 26th at 10AM

Gather at the dogleg in the River Channel. Monitor Radio Channel 11.

Greenpeace USA, Clean Water Action, Communities Concerned about Corporations, Council on International & Public Affairs
Louisiana Environmental Action Network and many more environmental groups support our cause!

National Television Coverage!
